AMENDMENT

In response to the office action of December 1, 2004, please amend the above captioned application as follows.

In the claims:

Please amend the claims in the way shown on the attached sheets.

Remarks

Reconsideration is respectfully requested.

The application has been amended to more clearly define the invention.

Reconsideration is respectfully requested.

The applicant thanks the examiner for his indication that claims 13 and 15 contain patentable subject matter and has amended the claims accordingly. The limitations of claim 13 have been incorporated into amended claim 12. The limitations of claim 15 have been incorporated into new claim 18.

It is believed that the application is now in condition for allowance. If the examiner believes that any matters are still at issue, he is requested to contact applicant's undersigned attorney.

Respectfully submitted,

Daniel J. Long
